Janelle Ortiz: Cold Stone Birthday Cake Cutie!

Janelle Ortiz poses with a slice of her birthday cake at her home on Monday (September 26) in Los Angeles.

JJJ and Cold Stone surprised Janelle for her 18th birthday with a chocolate cake with orange decorations—her favorite color!

Janelle also spent her special day with family on a surprise trip to Disneyland's exclusive Club 33! "My 18th birthday was the best celebration so far," Janelle wrote on her Tumblr blog, "Cheers to my great first year of adulthood and many more to come!"
