Caught in the Act!

Jake Gyllenhaal
Trovarelli/AKM

• [Jake Gyllenhaal](#) caught an early movie with a group of male and female friends at the Laemmle Sunset 5 in West Hollywood. According to the onlooker, the [newly shorn actor](#) was trying to look incognito at the theater. His movie of choice? The French thriller *Point Blank*.

• With a day off in Paris before heading up to the Deauville Film Festival, *The Help's* [Emma Stone](#) enjoyed a little time off – plus some French cuisine. Specifically, the actress had a steak lunch – solo – at Relais de l'Entrecôte. Meanwhile, her costar [Jessica Chastain](#) was window-shopping at boutiques around the Place Vendôme.

• *Glee's* [Jenna Ushkowitz](#) is staying in shape for [season 3](#) of her show. The actress worked

out with a personal trainer at [Equinox](#) in West Hollywood, and she looked cute in a pink tank top and black leggings. According to a source, she had a great attitude and was laughing during her exercise regimen, which included using arm weights and jogging in place.

• [Candace Cameron Bure](#) hosted a 13th birthday bash for her daughter Natasha – and there were plenty of treats. Cold Stone Creamery provided chocolate, cheesecake and other flavors of cupcakes, and guests also received glitter tattoos and manicures by the Painted Nail.
