

COLD STONE

CREAMERY

COLD STONE ORIGINALS

Cold Stone Creamery® offers super-premium ice cream, light ice cream and sorbet made fresh on site every day and offered with a choice of countless mix-in combinations. In fact, a Harvard Business School doctoral student found there are more than 11.5 million possible Creation™ combinations. It would take you more than 421 lifetimes to try them all; and that's only if you started eating ice cream on the day you were born!

To experience Cold Stone, customers simply choose their ice cream (or sorbet) and mix-ins. A Cold Stone Creamery crew member then mixes the selections on a granite stone chilled to 16 degrees Fahrenheit. The resulting Creation is scooped into a freshly made waffle cone or bowl – or formed into a personalized cake – and presented to the customer as the *Ultimate Ice Cream Experience*®.
