## Oscar a la mode, anyone?

If the year's best-picture choices aren't your taste, you may prefer the dessert version. Ice Cream chain Cold Stone Creamery invites customers to vote on their favorite Oscar-inspired flavor through March 23 (the date of the actual Academy Awards) at [coldstonecreamery.com](http://coldstonecreamery.com). Included on the ballot: Lord of the Oreos: The Two Cookies (*The Lord of the Rings: The Two Towers*); The Pecanist (*The Pianist*); Gangs of New York Cheesecake (*Gangs of New York*); The Cake Hours (*The Hours*); and Chicagdough (*Chicago*).
