Helping Out the Make-A-Wish Foundation

BY TANIA ROJAS

DIAMOND BAR, CALIF. – Customers will have a chance to receive free ice cream during the World’s Largest Ice Cream Social held in Cold Stone stores nationwide.

On **Thursday, July 24**, from 5 to 8 p.m., the new Diamond Bar Cold Stone Creamery location (at the intersection of Diamond Bar Blvd. and Grand Ave. in the Albertson’s shopping center), will be treating customers to a “Make-A-Wish Creation” in exchange for a donation made to the Make-A-Wish Foundation.

Donations collected will be sent to the foundation which helps make wishes come true for terminally ill children.

The “Make-A-Wish Creation” recipe was developed for National Ice Cream Month by a special Wish Child, seven year-old Alexei. The recipe consists of Cake Batter ice cream, with Oreo cookies, M&M candies, and fudge.

Diamond Bar Cold Stone will also be donating part of their proceeds from ice cream sales along with other Cold Stone stores nationwide during the entire month of July 2003 to the Make-A-Wish-Foundation. The store offers paper “stars” that customers can buy for \$1; they had already sold 300 of the stars in just 4 days.

“The community is great here,” said co-owner Jennifer Rudin. “I love all the support we are getting for the Make-A-Wish Foundation.”

The store, already satisfying the tastes of thousands of local residents, recently opened in the Diamond Bar community. With excellent service, attention to detail, and a festive atmosphere, the Diamond Bar Cold Stone Creamery is a must stop for friends, families, and neighbors in the community.

Adding to the store’s reputation is their unique way of making ice cream. All ice creams are made fresh daily and mixed in with goodies on a frozen granite stone.

Customers have a large variety of options to choose from, ranging from macadamia nuts or Gummi Bears, to Crunch candy, fruit or more.

“Every ice cream is tailor-made to suit the customer’s tastes,” said Rudin. “You could eat everyday at Cold Stone for years and still have room for more choices.”

The store is also involved with other community activities as well, such as the D.A.R.E. program, Girl Scouts, and the Renaissance program.
