

Kimora had an Oreo Overload, Aoki Lee (right) whipped up a Carnival Fabulous, and Ming Lee created a Banana Fabulous at Cold Stone Creamery in NYC.

## Kimora freezes out her fans

Kimora Lee Simmons treated her daughters, Ming Lee, 8, and Aoki Lee, 6, to ice cream on Sept. 9 — by taking over the entire Cold Stone Creamery in NYC's Times Square! "We ended up closing down the store for about an hour," a Cold Stone rep confirms to *Life & Style*. But Kimora, 33, made it up to ice cream-deprived fans. "On the way out," the rep says, "Kimora greeted everyone. It was a mob scene."
