Cold Stone announced a nationwide roll-out of frozen yogurt in July of 2011 to introduce fans of the "Ultimate Ice Cream Experience®" to the "Ultimate Frozen Yogurt Experience™." Staying true to Cold Stone's quality offerings, the Senior Tastemaster developed a proprietary Sweet and Creamy Yogurt recipe instead of the typical pre-packaged mixes of most other yogurt shops. Cold Stone Frozen Yogurt comes in non-fat and low-fat flavors that include probiotics and are low-calorie. Flavors start at only 34 calories an ounce, so a "Like it" 5 ounce serving starts at only 170 calories!

The delicious, Sweet and Creamy Yogurt Creations and Shakes will be available in all Cold Stone locations nationwide beginning February 29.
